

MCAT Preparation Workshop 2008

University of Oregon

Instructors

- Stan Micklavzina, Physics
- Amy Nuetzman, Verbal Reasoning and Writing
- Lars Svanevik, Chemistry
- Elly Vandegrift, Biology

Course Materials (provided)

- *Exam Crackers MCAT Complete Study Package, 6th Ed.*
- AAMC online practice MCAT exams
- Access to the UO MCAT website

Workshop Schedule Winter 2008

Each Saturday classroom session is from 9:00am – 5:00pm. Workshop participants will be provided with a pre-session diagnostic test and will have opportunities to apply test-taking and pacing strategies to full-length online AAMC MCAT practice tests. Practice exams may be taken on Saturdays or other times that are convenient for the student.

Online Content:

Registered students will have access to the UO MCAT website where they can watch video on demand modules covering content for the Biology, Verbal Reasoning, and Writing sections. A suggested schedule for completing the modules will be posted on the website.

Classroom Sessions (9am-5pm):

- Session 1:** January 19, Verbal Reasoning and Writing (9am-1pm)
- Session 2:** January 26, Physics
- Session 3:** February 2, Chemistry
- Session 4:** February 9, Organic Chemistry (9am-1pm)
- Session 5:** February 16, Biology (9am-1pm)
- Session 5:** March 1, Physics and Chemistry
- Session 6:** March 15, Final Review Biology, Chemistry, and Physics

AAMC Online Practice Exams (Web Access):

- Exam 1:** January 12
- Exam 2:** February 23
